

	38KBE7	Cable clip, INOX, \varnothing 6 mm, single lapping, for wires and cables with \varnothing 7.0 to 9.5 mm. Delivery without copper wire. Hole \varnothing 7.5 mm	615011.007
	38KB8	Cable clip, INOX, \varnothing 8 mm, double lapping, for wires and cables with \varnothing 7 or 8 mm. Delivery without copper wire and cable. Hole \varnothing 7x8 mm	615010.008
	38KB11	Cable clip, INOX, \varnothing 11 mm, double lapping, for wires and cables with ca. \varnothing 11 mm (f.e. 50mm ² bare). Delivery without copper cables. Hole \varnothing 7.5 mm	615010.011
	38KB	Cable clip, INOX, double lapping, \varnothing 29 mm for PE pipe 38KR. Delivery without cable protection pipe. Hole \varnothing 7.8 mm	615010.028
	38KB32	Cable clip, INOX, double lapping, \varnothing 33 mm for flexible PE pipe ca. \varnothing 32mm. Delivery without flexible PE pipe. Hole \varnothing 7.5 mm	615010.032
	40KB	Cable clip, INOX, double lapping, \varnothing 50 mm for PE pipes 40.2KR. Delivery without cable protection pipe. Hole \varnothing 7.8 mm	615010.042
	HPE40KB	Fastening plate for cable clip 40KB (only one borehole necessary!) 	615010.043
	HPD40KB	Fastening plate for two cable clips 40KB (only one borehole necessary!) 	615010.044
	38KR	PE cable protection pipe small, \varnothing 28.3/22.3 mm, black, 0.24 kg/m, 5 m long. Other pipe dimensions see left side.	614010.010
	38KM	Elastic Joint 38KM for PE-Pipe 38KR and 23KRF	613040.021
	23KRF	Cable protection pipe 23KRF, black, flexible, Inner- \varnothing 23mm (on coil) for 1 conductor	614010.100
	40KRF	Cable protection pipe 40KRF, black, flexible Innen- \varnothing 32mm (on coil) for 1 conductor	614010.140 
	230KV4	Multi-Monti screw \varnothing 7.5 x 35 mm, no spread pressure, for rail sleepers, walls, foundations etc. Surface INOX A4.	306212.035
	232KV4	Multi-Monti screw \varnothing 7.5 x 60 mm, no spread pressure, for rail sleepers, walls, foundations etc. Surface INOX A4.	306212.060
	245K	Nail dowel for walls and foundations, INOX V2A, \varnothing 6 x 40 mm. Not appropriate on rail sleepers!	615310.005
