

# KAGO welding and screwing fittings

Copper screwing rail connector, straight, 50 mm<sup>2</sup> cross-section, cable length and cable lugs according to customer's requirements. (without illustration: insulated connectors black, transparent, yellow and yellow-green with shrinking tubes)

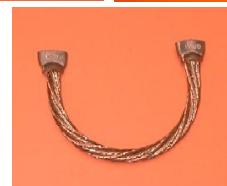

Item no.

div.

Copper welding rail connector, type U or L, 50 mm<sup>2</sup> cross-section, cable length according to customer's requirements.

div.

Rail connection M10 Cembre, for rail web 14-16.5mm (without illustration: also for rail web 11-14mm)

611020.010  
(611020.011)

Rail connection M12 Contec, simple as well as double connection M12

611026.110

DIN Cable lug M10 for 50 mm<sup>2</sup> cross-section

(without illustration: 35mm<sup>2</sup> / 70mm<sup>2</sup> / 95mm<sup>2</sup> / 120mm<sup>2</sup> / 150mm<sup>2</sup> / 185mm<sup>2</sup> / 240mm<sup>2</sup> / 300mm<sup>2</sup>)

div.

DIN Cable lug M12 for 70 mm<sup>2</sup> cross-section

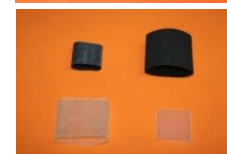

(without illustration: 35mm<sup>2</sup> / 50mm<sup>2</sup> / 95mm<sup>2</sup> / 120mm<sup>2</sup> / 150mm<sup>2</sup> / 185mm<sup>2</sup> / 240mm<sup>2</sup> / 300mm<sup>2</sup>)

div.

Heat shrink tubes with glue, black or transparent, standard, length 50mm (for Cable lugs 16-95mm<sup>2</sup>) and 70mm (for cable lugs 120-240mm<sup>2</sup>)

627010.020 black small  
627010.022 black big  
627010.010 transp. small  
627010.012 transp. big

Heat shrink tube, not gluey, per meter, yellow, for cable lugs 16-95 mm<sup>2</sup> (without illustration: for cable lugs 120-240mm<sup>2</sup>)

627010.130  
(627010.135)

Heat shrink tubes, per meter, with glue, black, yellow-green or transparent, for cable lugs 16-95 mm<sup>2</sup>
