

## **KAGO double plug strip**

(Art.Nr. 700ZK, 611028.015)

For all spots where two connections are needed, but only one hole should be drilled.

700ZK

### Requirements for 1 Double Slip:

- 4 KAGO double plug strips 700ZK
- 12 KAGO contact strips 700K  
(without switch heating: instead of 12 only 8)
- 40-44 cable lugs

Paint, grease and rust must be removed before installation! All screws must be greased before every mounting.
